**Violation of Standard Condition No. 7:** “The defendant shall refrain from excessive use of alcohol and shall not purchase, posses, use, distribute, or administer any controlled substance or any paraphernalia related to any controlled substance, except as prescribed by a physician.”

**Nature of Non-compliance:** On December 15, 2020, during a contact with the defendant at his place of employment, he stalled and ultimately failed to submit a urine specimen.

Reyna submitted to a drug test on December 22, 2020, said result returned positive for methamphetamine on January 7, 2021.

On January 7, 2021, during a contact with the defendant at his residence, Reyna admitted to using methamphetamine on or about January 4, 2021.

**U.S. Probation Officer Action:** On August 6, 2020, a parole violation warrant was issued for the defendant. Contact with the parole officer revealed Reyna had violated the conditions of the location monitoring program. On October 7, 2020, the parole violation warrant was served, and Reyna was arrested by the Granite Shoals Police Department at his home. On October 28, 2020, Reyna appeared before the parole board to address his violations. On or about November 3, 2020, the defendant was continued on parole with the special condition of location monitoring.

The Probation Office respectfully requests no adverse action be taken at this time. Reyna has been admonished for his narcotic use. On January 7, 2021, Reyna was offered placement in a residential substance abuse treatment program; however, he declined formal treatment. Therefore, he was referred to Hill County Counseling and scheduled for a psychiatric evaluation and medication monitoring. The Probation Officer will continue to monitor his narcotic use and progress with the counseling provider. Accordingly, the Court reserves the right to revisit this allegation in the future. In addition, should Reyna incur any further violations, the Court will be immediately notified.
